

Markham Recreation

Given the rapidly evolving COVID-19 crisis, the City of Markham has made the difficult decision to cancel all Spring recreation, culture and library drop-in and registered programs and extend the closure of all City facilities. This decision was made following the guidance of the Chief Public Health Officer of Canada and the Ontario Chief Medical Officer of Health to help break the chain of transmission of COVID-19.

With growing concerns around COVID-19, the following measures have been taken:

- All City facilities are closed to the public until further notice
- Public meetings have been cancelled until further notice
- Club programs and events are cancelled until further notice.

Markham's summer camps, leadership programs, MSL leagues and workshops starting after May 31 are still available and open for registration. View a complete list in the [Markham Life spring edition](#) or at markham.ca/recreation.

SPECIAL NOTICE: Markham Life summer edition will be available on May 12 online only.

Continue to stay active at home by subscribing to [City of Markham's Fitness YouTube channel](#) and try various exercises virtually. New activities coming soon for the whole family!

Although the delivery of our services have been modified, our elected officials and City staff are still hard at work, and are committed to continuing to provide essential services to our community.

Our heartfelt thanks go out to our healthcare workers, those working on the front lines and our own essential service staff including our team in Markham's Emergency Operations Centre who are working to help combat and get us through COVID-19. We are all in this together.

For more information and updates about COVID-19 and affected City services, visit markham.ca/covid19. You can also contact us at 905.477.5530 or email at customerservice@markham.ca
