Important Notes on TSC Pre-Registered Program Registration

A TSC Membership card with the **new 2026/27 sticker** **must be shown** to register for all Fall programs. Spots will not be held for those without a card present upon registering.

Be sure to renew or join before registration and

BRING YOUR CARD with your cash.

Those not enrolled in the current session may add their name to a **waitlist** at the TSC front desk **beginning at 9am ON THE SAME DAY OF THE SCHEDULED REGISTRATION** (as indicated in green). After the current class has registered at the scheduled time - which usually takes about 15 minutes - any spaces remaining will be offered to those on the waitlist who are present at that time, in the order written.

TSC no longer offers credits or refunds for any reason (including medical) unless due to unexpected class cancellation.
